## About Us

TRONIC is a leading supplier of electrical and lighting solutions for residential, commercial and industrial applications throughout the Middle East and Africa.

We are committed to providing a comprehensive range of reliable, high quality and competitively priced products to our customers. We are constantly tracking market trends, and are focused on product development to meet our customers needs. We believe in simple changes, refining our customers' experience and improving performance in lots of little ways that make big differences.

Our high performance lighting solutions can be found catering to in many different applications such as sport, road, tunnel, cityscape, office, education and industry.

Founded in 1993, we have years of experience in providing lighting and electrical solutions. We actively work to promote the correct standards and are uniquely placed to cater to infrastructure projects across Africa.

Our aim is to exceed the requirements of customers all over the world to become the trusted, reliable, professional long-term partner for cost-effective electrical and lighting.

We offer energy savings without compromising performance, efficiency and comfort. To achieve solutions where aesthetics, optical performance, and energy consumption are all in perfect balance.

## Key Elements...

### Quality:

Our products are made with the highest standards, designed to fit specific household, business and industrial needs.

### Efficiency:

Our products are less energy consuming, saving consumers time and money.

### Durability:

Our products last longer than competitor brands as well as being designed to withstand everyday use.

### Affordability:

Our products are put into the market with the local consumer in mind. The quality of our products promises the highest value for money.

### Aesthetics:

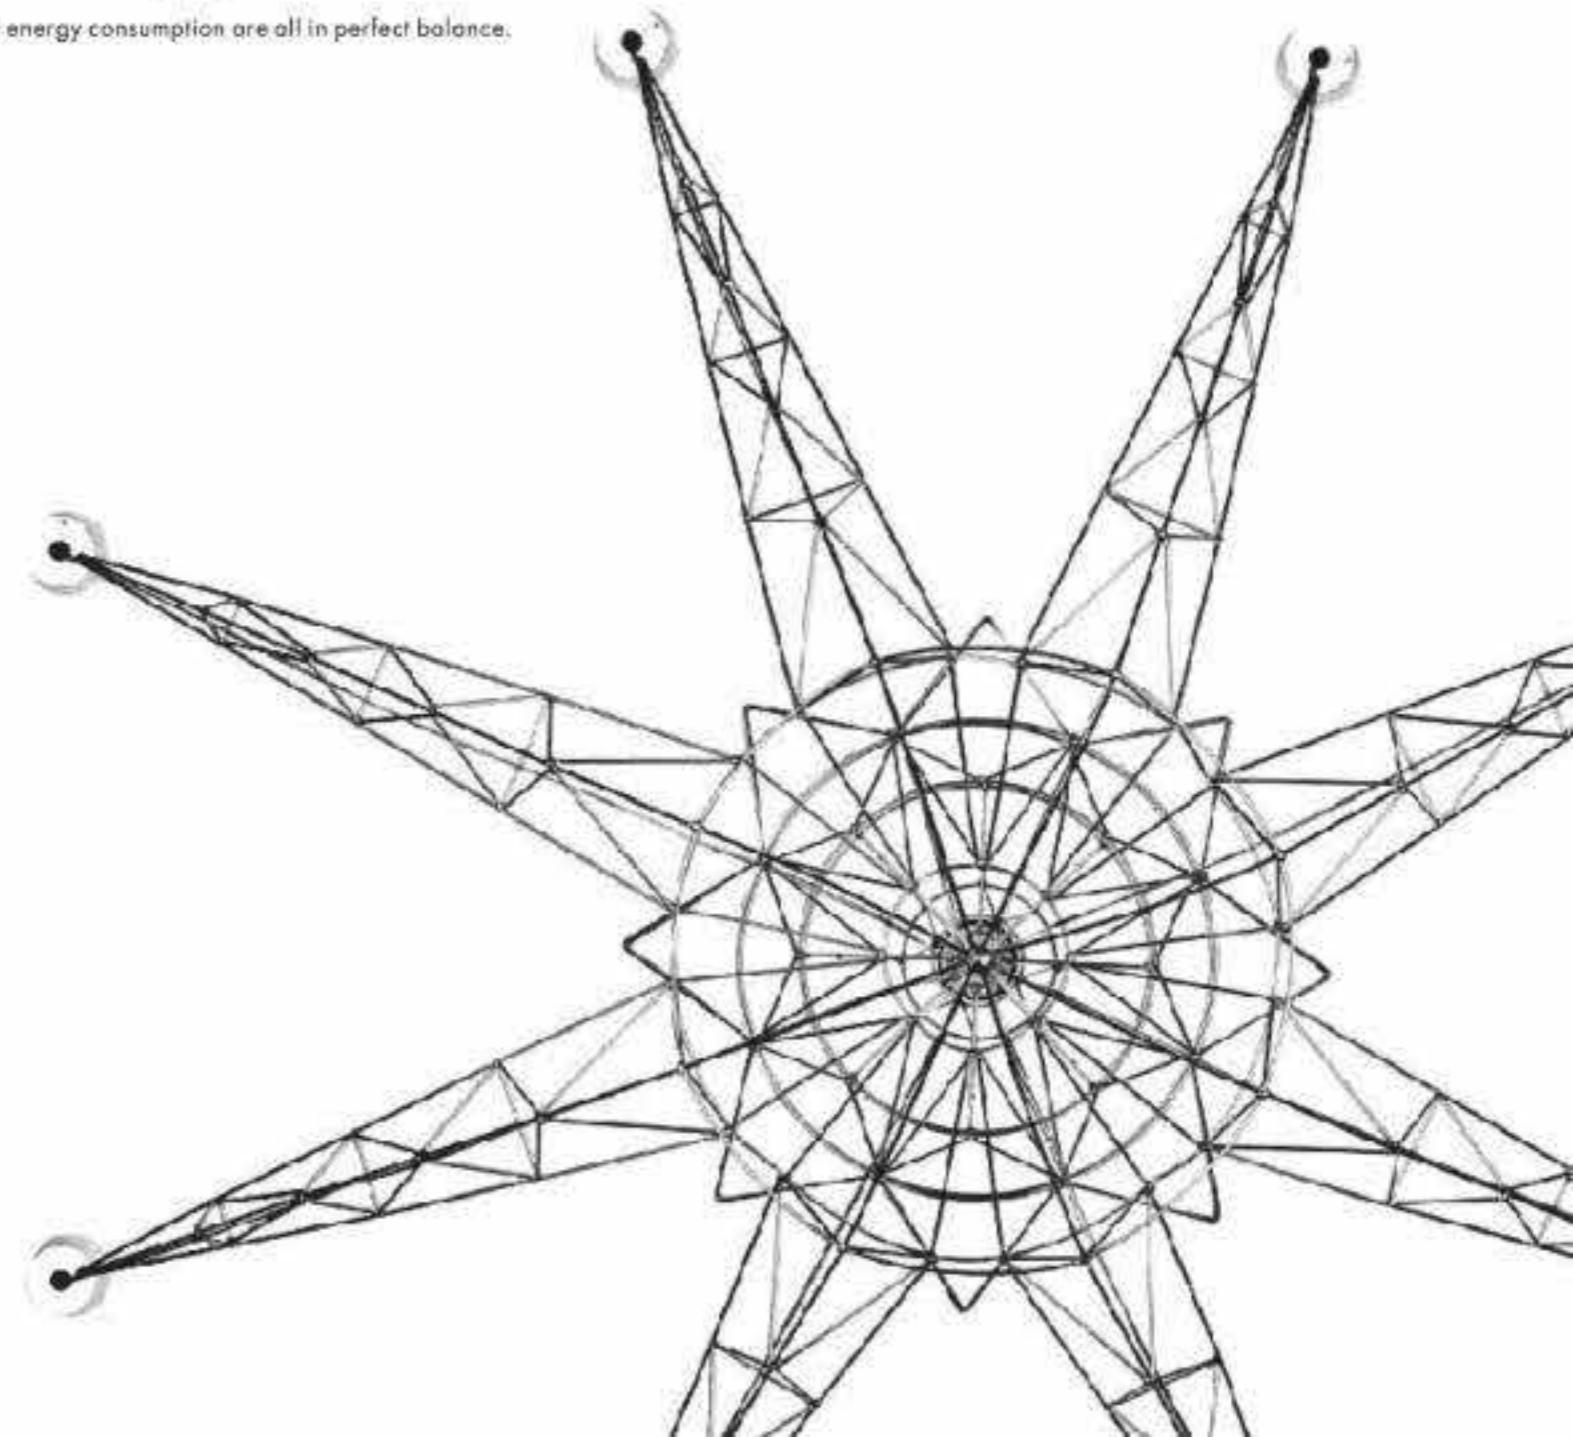

Our products look good and perform even better. They are pleasing to the eye yet functional in performance.

### Practicality:

Our products are made to solve and prevent everyday electrical problems.

## Our Values

Tronic places a great amount of emphasis on Customer Service. We value our clients and their opinions. Your feedback is always welcome, we strive to always provide you the best quality product at affordable prices.
